

What can quicken turnaround?

Immigration and Work pathway to continue

The recent changes to SOL may have altered the occupations in demand but the mechanism is the same. More hype than reality in so-called "delinking" of migration from education.

No further media announcements to the contrary is expected. Migration and Work outcomes are likely to exist for graduating students.

Student Visa norms to "welcome" quality students and need to be announced loudly.

Assessment Level for 573 should be revised for India and no "new" hurdles in the garb of new changes to financials be introduced.

It is being eagerly awaited. Likely by November. If we are lucky it may even come in September. Financial changes expected too.
